SCOPE AND CONTENT

The Reginald Lawrence Hart Class of 1879 Photograph Album contains images of members of the Class of 1879, the faculty, and a few miscellaneous images - most notably related to athletes from the time period. The album has been kept in its original order, with the identification of individuals penciled in under their photographs based on signatures on the back of images. Photocopies have been made of more extensive notes found on the backs of a few photographs and are in a separate folder. The oversized image of the University of Pennsylvania crew team of 1882 has been placed with UPX 12 OS32.
