Resolution to Authorize the Execution of the Line of Credit in the Amount of $100,000,000

Intention:
The Trustees of the University of Pennsylvania (University) is the obligor on various series of variable rate demand bonds issued for the benefit of the University. In order to supplement the University’s liquidity relating to its variable rate demand bonds and for other general purposes of the University, the University administration recommends that the University enter into a $100,000,000 unsecured revolving line of credit (Line of Credit) with Wachovia Bank, N.A. (Bank).

The Line of Credit will have a term of two years at the University’s option. The University shall pay to the Bank a facility fee and a fee on the unutilized portion of the Line of Credit in accordance with terms as negotiated by the University administration.

RESOLVED, that the Line of Credit is authorized and approved in the amount of $100,000,000.

FURTHER RESOLVED, that the Executive Vice President and the Vice President of Finance and Treasurer be and they hereby are authorized and empowered to take such action, approve the form and content and execute and deliver, and the Secretary or Officer is authorized and directed to affix the seal of the University to any documents, agreements or instruments relating to the Line of Credit and to do such things as shall be necessary to effectuate the borrowing authorized by this resolution.
Resolution to Authorize Law School Construction Documentation and Bid Phase for a New Sansom Street Replacement Building in the Amount of $3,400,000

Intention:

The Law School wishes to proceed with construction documentation for a proposed new building on Sansom Street. This new multi-story building will replace the existing one-story Pepper Hall, and will address the Law School’s need for additional and contiguous faculty and administrative offices, student group collaboration space, a new auditorium, and teaching/research center space, encouraging interaction between faculty and students. This phase will advance design through construction documents for bidding at an estimated cost of $3,400,000 and will be funded by gifts in hand, gifts pledged and school operating funds.

RESOLVED, that the Law School Construction Documentation and Bid Phase for a New Sansom Street Replacement Building, estimated to cost $3,400,000, be and the same hereby are approved and that the Executive Vice President or the Vice President for Facilities and Real Estate Services or Vice President for Finance and Treasurer be and hereby is authorized to take such actions, execute such contracts and incur such expenses and obligations – not, however, in excess of 110% of the estimated costs as presented to the Budget and Finance Committee – as may, in his or her judgment, be necessary or desirable to accomplish the purposes of this resolution. Any actions heretofore taken by any such officers in furtherance of the purpose of this resolution are hereby ratified and confirmed.
Resolution to Authorize Goddard Laboratories 3rd and 5th Floor Renovations for the Center for Cognitive Neurosciences in the Amount of $3,300,000

Intention:

The School of Medicine wishes to proceed with the renovation of the laboratories on the 3rd and 5th floors of the Goddard Laboratories building. These laboratories are utilized by the Center for Cognitive Neurosciences and have not been significantly renovated since the building was completed in 1964. The project scope includes demolition and reconfiguration of offices, student rooms, testing rooms, conference rooms, as well as related mechanical, electrical, plumbing and fire protection distribution. In addition, infrastructure upgrades will be provided to prepare the building for conversion to a variable air volume system for reduced energy consumption. The project is estimated to cost $3,300,000 and will be funded by a Health Research Formula Fund grant, School of Medicine Special Purpose Funds and the University Facilities Renewal Fund.

RESOLVED, that the Goddard Laboratories 3rd and 5th Floor Renovations for the Center for Cognitive Neurosciences, estimated to cost $3,300,000, be and the same hereby are approved and that the Executive Vice President or the Vice President for Facilities and Real Estate Services or Vice President for Finance and Treasurer be and hereby is authorized to take such actions, execute such contracts and incur such expenses and obligations – not, however, in excess of 110% of the estimated costs as presented to the Budget and Finance Committee – as may, in his or her judgment, be necessary or desirable to accomplish the purposes of this resolution. Any actions heretofore taken by any such officers in furtherance of the purpose of this resolution are hereby ratified and confirmed.
Resolution to Authorize Johnson Pavilion Dayton General Systems Controls Replacement in the Amount of $1,450,000

Intention:

Facilities and Real Estate Services wishes to proceed with the replacement of the Dayton General Systems (DGS) control system in Johnson Pavilion. DGS systems are used in approximately 70 buildings on campus to maintain temperature, humidity and air quality set points. The manufacturer of the existing system is no longer in business; replacement parts are often not available; and parts or control boards are sent to an after-market vendor for repair. This project would replace the DGS control system in Johnson Pavilion with a state-of-the-art Direct Digital Control system to effectively support facility functions. The project is estimated to cost $1,450,000 and will be funded by FRES Special Purpose Funds, the University Facilities Renewal Fund and School of Medicine Special Purpose Funds.

RESOLVED, that the Johnson Pavilion Dayton General Systems Controls Replacement, estimated to cost $1,450,000, be and the same hereby are approved and that the Executive Vice President or the Vice President for Facilities and Real Estate Services or Vice President for Finance and Treasurer be and hereby is authorized to take such actions, execute such contracts and incur such expenses and obligations – not, however, in excess of 110% of the estimated costs as presented to the Budget and Finance Committee – as may, in his or her judgment, be necessary or desirable to accomplish the purposes of this resolution. Any actions heretofore taken by any such officers in furtherance of the purpose of this resolution are hereby ratified and confirmed.
