Resolution to Authorize a New Lease for the Vice Provost of University Life, Counseling and Psychological Services; Total Lease Obligation (Present Value) $7,969,000 Inclusive of $3,688,000 of Capital

Intention:

The Vice Provost for University Life proposes to lease 15,883 square feet of new space on the 1st floor of 3624 Market Street for Counseling and Psychological Services (CAPS). CAPS currently occupies space at 111 S. 36th Street and relocation is required due to the Perelman Center for Political Science and Economics project. The new lease would be for a term of fifteen years with one five year renewal option. Capital improvements are necessary to accommodate the CAPS program; total improvements of $4,641,000 are partially subsidized by a landlord allowance of $953,000. The total lease obligation (net present value) is $7,969,000 inclusive of $3,688,000 of capital. The operating lease will be funded by VPUL operating funds and the capital improvements will be funded by an internal capital loan.

RESOLVED, that the New Lease for the Vice Provost of University Life for Counseling and Psychological Services, estimated to cost $7,969,000 inclusive of $3,688,000 in capital, be and the same hereby is approved and that the Executive Vice President or the Vice President for Facilities and Real Estate Services or the Vice President for Finance and Treasurer be and hereby are authorized to take such actions, execute such contracts and incur such expenses and obligations – not, however, in excess of 110% of the estimated costs as presented to the Budget and Finance Committee – as may, in his or her judgment, be necessary or desirable to accomplish the purposes of this resolution. Any actions heretofore taken by any such officers in furtherance of the purpose of this resolution are hereby ratified and confirmed.
Resolution to Authorize Design and Construction of the Tse Sports Center/Hutchinson Gymnasium Infill Building Renovation for an Additional $3,737,000  
(Total Revised Budget of $26,449,000)

Intention:

In June 2012, the Trustees approved $22,712,000 for the design and construction of the Tse Sports Center/Hutchinson Gymnasium Infill Building Renovation. The Department of Recreation and Intercollegiate Athletics now requests approval of an additional $3,737,000 to increase the scope of work for this project (Capital Council approved $2,006,000 of this scope increase in April 2013, and the Capital Advisory Group approved $762,000 for soil remediation in June 2013). The additional work includes the installation of new rowing tanks, renovation of the rowing team area, upgraded window glazing, an upgraded laundry facility, and a golf practice area in the basement. Also, additional expense was incurred due to some soil remediation and additional equipment was purchased. The project is estimated to cost $26,449,000 and will be funded by capital gifts, the University Facilities Renewal Matching Program, Risk Management funds, the University Facilities Renewal Fund, FRES reserves and DRIA general purpose funds. An interim capital loan will be needed to bridge financing needs that arise due to timing of gift receipts.

RESOLVED, that the Design and Construction of the Tse Sports Center/Hutchinson Gymnasium Infill Building Renovation, estimated to cost $26,449,000, be and the same hereby is approved and that the Executive Vice President or the Vice President for Facilities and Real Estate Services or Vice President for Finance and Treasurer be and hereby are authorized to take such actions, execute such contracts and incur such expenses and obligations – not, however, in excess of 110% of the estimated costs as presented to the Budget and Finance Committee – as may, in his or her judgment, be necessary or desirable to accomplish the purposes of this resolution. Any actions heretofore taken by any such officers in furtherance of the purpose of this resolution are hereby ratified and confirmed.
