Resolution of Appreciation for Howard S. Marks and Designation as Emeritus Trustee

Anyone looking for a modern Renaissance Man need search no further than Howard Marks, W’67. As a longtime Trustee of the University of Pennsylvania and a dedicated alumnus, Howard has worked tirelessly on behalf of his alma mater — perhaps never more effectively than during his 2000-2010 tenure as chair of the University Trustee’s Investment Board. With his expert guidance, and despite a global financial crisis, Penn’s endowment saw dramatic gains, nearly doubling in size.

To those familiar with Howard’s stellar track record in business, this remarkable accomplishment may be unsurprising. After building his career at Citicorp Investment Management and the TCW Group, Howard co-founded and currently serves as co-chair of the immensely successful Oaktree Capital Management, LLC, a leading global alternative investment management firm.

Another dimension to Howard’s achievements is his skill as a writer. His serial Oaktree investment memos, eagerly awaited by investors and clients, are lauded for their insight, flashes of humor, and clarity. His writing ability is further demonstrated in his 2011 book, The Most Important Thing: Uncommon Sense for the Thoughtful Investor, and its sequel, The Most Important Thing Illuminated (2013).

Through their Penn philanthropy over the years, Howard and his wife Nancy have conveyed their sense that the world of business exists within a humanities universe. In 1992, they established the Howard S. Marks Term Scholarship for students in all four of Penn’s undergraduate schools. They later founded the Howard Marks University Professorship in behavioral finance and the Howard Marks Investor Speaker Series at Wharton. Most recently, they endowed the Howard Marks Professorship in Economic History at the School of Arts and Sciences. The gift that may strike the most personal note for Howard, however, is the Marks Family Writing Center, endowed in 2009, which serves Penn faculty, students, staff, as well as the surrounding community.

As a University Trustee, Howard has served on many committees, including Nominating, Academic Policy, and Honorary Degrees and Awards. He has also served on the Wharton Undergraduate Executive Board and is a frequent - and popular - guest speaker at the school. A California resident for many years, where he was a member of Penn’s Southern California Regional Advisory Board, Howard is also equally at home in New York and London. Beyond Penn, he serves on the Investment Committee of the Helmsley Charitable Trust, the Board of Trustees of Mount Sinai Hospital, and the Investment Committee of the Edmund Safra Foundation. Howard and Nancy are the very proud Penn Parents of Andrew, a 2009 graduate of the College.

Howard’s wide-ranging interests include Japanese literature, a subject he first encountered at Penn, and which he says has contributed to his philosophy as an investor. He has also been known to credit luck, in part, for his business success. Luck, of course, is what you make of it. We at Penn recognize our own good fortune and appreciate how generously and strategically Howard has worked for the benefit of our University community.

RESOLVED, that the Trustees of the University of Pennsylvania, on behalf of themselves, the administration, faculty, students, and alumni of the University, thank Howard Marks for sharing his extraordinary professionalism, bonhomie, investment expertise, writing prowess, generosity, and unending loyalty with the University of Pennsylvania.

FURTHER RESOLVED, that Howard Marks be elected an Emeritus Trustee, effective January 1, 2015.
Resolution to Adopt the Revised Patent and Tangible Research Property Policies and Procedures of the University of Pennsylvania

Intention:

The University periodically revises and updates its policies and procedures regarding patents and tangible research property, to help ensure that such policies and procedures keep pace with best practices and national trends in this highly significant area. Such revisions have been the subject of previous resolutions presented to the Board of Trustees in 2010, 2005, and 1993.

In 2014, the Vice Provost for Research undertook a review of the existing Patent Policy and advanced revisions designed to keep the University at the leading edge of the rapidly changing landscape around commercialization of university research. These revisions include adding references to the new Penn Center for Innovation, eliminating the distinctions between undergraduate and graduate students in discussions of student inventions, clarifying the differences between inventions and tangible research property, and updating language concerning distributions, returns to inventors, and faculty consulting arrangements.

The proposed revisions were discussed and approved by the Council of Deans, the Academic Planning and Budget Committee, the Provost’s Council on Research, the Faculty Council on Innovation, the Faculty Senate Committee on Faculty and the Administration, and the Faculty Senate Executive Committee. The draft revised policy was then published in the January 20, 2015 issue of Almanac for comment by the University community.

RESOLVED, that the revised Patent and Tangible Research Property Policies and Procedures of the University of Pennsylvania be adopted and made effective as of July 1, 2015.
Resolution on the Engagement of the Independent Accountant for Fiscal Year 2015

Intention:

Independent accountants are engaged annually to express an opinion as to whether the financial statements, as prepared by management, considered in their entirety, present fairly, in all material aspects, the University’s financial position, and the changes in its net assets and its cash flows, in conformity with generally accepted accounting principles. The Trustees of the University of Pennsylvania, through its Committee on Audit and Compliance, are responsible for engaging the independent accountants.

RESOLVED, that PricewaterhouseCoopers be and hereby is appointed as independent accountants to audit the financial statements of the University of Pennsylvania subject to negotiation of reasonable fees for Fiscal Year 2015.
Resolution on Tuition, Fees, and Other Student Charges and Financial Aid for 
Academic Year 2015 - 2016

Intention:

The administration proposes to establish the following tuition, fees, and other student charges for 
Academic Year 2015 - 2016:

For undergraduates, tuition, fees, room and board will total $63,526. This includes tuition of $43,838, fees 
of $5,698, a standard room rate in the residence halls of $9,060, and a meal plan charge of $4,930. For 
graduate and professional students, tuition will be determined administratively to reflect the budget 
requirements of the various schools.

The administration projects that the undergraduate financial aid budget for Academic Year 
2015 - 2016 will total $206 million.

RESOLVED, that for Academic Year 2015 - 2016, total undergraduate charges will be $63,526 including 
tuition of $43,838, fees of $5,698, a standard room rate in the residence halls of $9,060, and a meal plan 
charge of $4,930, and that the undergraduate financial aid budget will be established at $206 million.
Resolution to Authorize the Financing of Certain Capital Projects for the University of Pennsylvania Health System

Intention:

The Hospital of the University of Pennsylvania (HUP) and the Clinical Practices of the University of Pennsylvania (CPUP) are the “designated units” of The Trustees of the University of Pennsylvania (Trustees or University) under a Master Trust Indenture (Master Indenture) between the University and US Bank National Association, as successor master trustee that are obligated to make payments required under the Master Indenture. Presbyterian Medical Center of the University of Pennsylvania Health System d.b.a. Penn Presbyterian Medical Center (PPMC), Pennsylvania Hospital of the University of Pennsylvania Health System (PAH), Clinical Care Associates of the University of Pennsylvania Health System (CCA), Wissahickon Hospice of the University of Pennsylvania Health System (WH) and The Chester County Hospital and Health System (TCCHHS), all of which are controlled affiliates of and wholly owned subsidiaries of the Trustees, are also obligated parties under the Master Indenture and are jointly and severally liable for any debt incurred under the Master Indenture. HUP, CPUP, PPMC, PAH, CCA, WH and TCCHHS are referred to herein collectively as the “Health System.”

Management of the University and the Health System (Management) has identified up to $150,000,000 in capital projects of the Health System (Capital Project), which can be financed cost effectively with the issuance of new indebtedness. Management recommends that the Trustees incur new indebtedness (2015 Bonds) to pay costs of the Capital Project and recommends that the Trustees delegate to the Debt Subcommittee of the Budget and Finance Committee (Debt Subcommittee) the power to determine the terms of the 2015 Bonds authorized by this resolution and the details thereof.

The Penn Medicine Executive Committee and the Penn Medicine Finance Committee have recommended and approved the incurrence of indebtedness by each member of the Health System by virtue of its being a party to the Master Indenture and being jointly and severally liable for all debt incurred thereunder.

The Penn Medicine Executive Committee and Management have recommended that the Trustees authorize the incurrence of up to $150,000,000 of indebtedness to finance the Capital Project. The Penn Medicine Executive Committee and Management also have recommended to the Trustees that they approve the incurrence of indebtedness in connection therewith by each member of the Health System by virtue of its being a member of the obligated group under the Master Indenture.

In addition, Management would like the Trustees to delegate to it the power to choose an issuer and an investment bank or bankers for the indebtedness, to determine the method of sale of the indebtedness, to approve the appointment of bond counsel and to do and to take all action with respect to the indebtedness except to the extent delegated to the Debt Subcommittee.

RESOLVED, that the Trustees hereby authorize and approve the incurrence of up to $150,000,000 pursuant to the Master Indenture to finance the Capital Project, and hereby authorize and approve the incurrence of indebtedness by each member of the Health System. In addition, the Trustees of the University authorize the Debt Subcommittee to authorize the details of the 2015 Bonds.

FURTHER RESOLVED, that any indebtedness authorized by this resolution may be for a term of up to 40 years and may bear interest at a fixed or variable interest rate and/or as an ongoing commercial paper program, subject however to the approval of the terms and conditions of such borrowing by the Debt Subcommittee, such approval by the Debt Subcommittee to be conclusively evidenced by the adoption of a resolution authorizing and approving the terms of such borrowing pursuant to this resolution.
FURTHER RESOLVED, that the President, Executive Vice President or Vice President for Finance and Treasurer be and any of them is hereby authorized to apply on behalf of the University to a governmental issuer to issue indebtedness for the purposes stated above and to pay such fees and expenses as may be required in connection therewith and in connection with the incurrence of indebtedness authorized herein.

FURTHER RESOLVED, that the President, Executive Vice President or Vice President for Finance and Treasurer be and any of them is hereby authorized to determine the method of sale of any indebtedness incurred pursuant to this resolution (which may be a competitive sale, negotiated sale, a private placement or any combination thereof), to select an investment banker or bankers (if a negotiated sale is to be used) or a lender or purchaser in the event of a private placement, to select a bank or other financial institution to provide credit and/or liquidity support for the indebtedness, to select a remarketing agent, if applicable, for the indebtedness, and a trustee and issuing and paying agent, and to take all action in connection therewith, subject to the Debt Subcommittee’s approval of the details of the indebtedness incurred pursuant to this resolution including the rates of interest, interest rate mode, dates of maturity, redemption features and security for such indebtedness (but not in excess of the amount or for the term above authorized).

FURTHER RESOLVED, that the President, Executive Vice President or Vice President for Finance and Treasurer be and any of them is hereby authorized to determine whether, in connection with the indebtedness authorized hereby, one or more members of the Health System shall enter into an interest rate swap, cap, collar, floor, or other arrangement intended to hedge such indebtedness, or, in effect, to convert interest on all or a portion of such indebtedness from a fixed rate to a floating rate, from a floating rate to a fixed rate, or from one floating rate to another floating rate, and thereby reduce the cost of borrowing on such indebtedness by optimizing the relative amounts of fixed and floating rate debt from time to time or the risk of variations in debt service costs (Hedge Agreement), and in connection therewith any collateral arrangements pledging property of one or more members of the Health System, including investment securities, as security for their obligations with respect to any Hedge Agreement, and to take all action in connection therewith, subject to the Debt Subcommittee’s approval of the details of any Hedge Agreement, including the notional amount thereof, the method by which payments thereunder are determined, the term and the collateral arrangements for such Hedge Agreement.

FURTHER RESOLVED, that the President, Executive Vice President or Vice President for Finance and Treasurer be and they are hereby authorized and empowered to take such action, approve the form and content and execute and deliver, and the Secretary or other authorized officer of the University is authorized and directed to affix the seal of the University to, such documents, including if applicable, one or more trust indentures, loan agreements, leases or subleases, supplemental Master Indentures, master notes, escrow deposit agreements, bond purchase contracts, reimbursement agreements, standby bond purchase agreements, remarketing agreements, issuing and paying agent agreements or any other agreements or documents necessary in connection with any commercial paper program, official statements or other offering documents, Hedge Agreements, and any other documents, agreements or instruments, and to do such things as shall be necessary or appropriate to effectuate the borrowing authorized by this resolution, subject, however, in all respects to the approval of the terms and details of the indebtedness and any Hedge Agreement by the Debt Subcommittee.

FURTHER RESOLVED, that the appropriate officers of each of the members of the Health System, or the Senior Vice President and Chief Financial Officer of the Health System on their behalf, be and each of them is hereby authorized and directed to execute and deliver such documents and to take all action and to do all things as shall be necessary or advisable in connection with the subject matter of this resolution and the Secretary or Associate Secretary of each component of the Health System is hereby authorized to affix the seal of such component to such documents.
Resolution to Approve the Membership Substitution Transaction Related to Lancaster General Health and Its Affiliates

Intention:

Penn Medicine has had several long term successful clinical and academic program affiliations with Lancaster General Health (LGH), including a current health care alliance. In February 2015, The Trustees of the University of Pennsylvania (The Trustees) on behalf of Penn Medicine, including the University of Pennsylvania Health System (UPHS) and LGH executed a non-binding Letter of Intent with respect to a potential transaction by which LGH would join UPHS through a membership substitution transaction (the Transaction). LGH’s controlled affiliates include The Lancaster General Hospital (LG Hospital) and several other corporate entities (collectively LGH Affiliates). The intent and structure of the Transaction is to fully integrate LGH and the LGH Affiliates within Penn Medicine, including UPHS. LGH has strong community health expertise in LGH’s service area and throughout the region, and the combined organization’s geographic region will serve to differentiate the consolidated health system and enhance value to all stakeholders. The Transaction will expand the parties’ joint commitment to superior, state-of-the-art, quality, accessible and efficient care delivery across the population and communities served, as well as the delivery of coordinated care through the continuum of health care services, in alignment with our other mission areas of research and education.

Penn Medicine and LGH will conduct due diligence and negotiate the terms of a final definitive agreement and other related documents (the Definitive Agreement). If findings during the due diligence process are satisfactory, the parties intend to execute the Definitive Agreement in March 2015, following which there will be a period to allow for completion of regulatory matters with the goal of closing the Transaction on or about July 1, 2015 (Closing).

The structure of the Transaction upon Closing is expected to be as follows:

- In general the relationship will be structured as a membership substitution. Specifically, The Trustees will become the sole member of LGH, with the LGH Board exercising authority with respect to the governance of LGH and the LGH Affiliates and with Penn Medicine and The Trustees exercising reserved powers. LGH and LG Hospital will become Clinical Components of Penn Medicine and UPHS. The bylaws and other governing documents of Penn Medicine, LGH, LGH Affiliates and other entities, as applicable will be amended to effectuate the Transaction.
- Subject to due diligence, LGH, the LGH Affiliates and all of the assets and liabilities of LGH and LGH Affiliates (collectively LGH Health) will be incorporated within the combined, fully integrated Penn Medicine organization.
- The bylaws and other governing documents of LGH and Penn Medicine will each be amended to provide appropriate representation by Penn Medicine Board members or a Penn Medicine executive on the Board of Trustees of LGH (the LGH Board), and LGH Board representation on the Penn Medicine Board and Penn Medicine Executive Committee.
- The LGH Board will generally govern the business and affairs of LGH, LG Hospital and other LGH Affiliates and exercise the responsibilities and duties reserved to such boards under applicable Pennsylvania law and by accrediting bodies, subject to the powers reserved to The Trustees and Penn Medicine under the applicable governing documents. Such powers reserved to The Trustees and/or Penn Medicine include among other powers, approval of: the annual operating and capital budgets, fundamental changes, and matters which have significant financial or strategic implication for Penn Medicine as set forth in the Definitive Agreement or by mutual agreement thereafter.
- Penn Medicine Bylaws will also be amended to establish a new committee of the Penn Medicine Board to be known as the Regional Planning Committee (RPC), with representation of LGH Board members who serve on the Penn Medicine Board.
• Penn Medicine will assist LGH in the development and support the execution of a multi-year strategic plan that provides sufficient funding for operations, capital projects and expansion and improvement of services. Penn Medicine will use reasonable best efforts to support preservation of the existing principal of the reserves and application of the income and growth of the LGH balance sheet to the promotion of health care and other educational, philanthropic, and scientific goals of the LGH Board for the LGH service area.
• Penn Medicine will continue to provide for the health care needs of the LGH community for as long as LGH and LG Hospital may be affiliated with Penn Medicine through long term commitments.
• There will be limitations on change of control or sale of LGH, LG Hospital and certain agreed upon core LGH Affiliates.
• Penn Medicine will support LGH’s significant charity care and community benefit obligations including its current policies on charity and indigent care and support of LGH’s provision of care through community-based health programs.
• Issues related to the oversight and leadership of LG Hospital medical staff will continue to be the responsibility of the LGH Board.
• The Definitive Agreement will contain, among other terms, closing conditions for necessary and appropriate regulatory approvals and other customary conditions to each party’s obligation to close.

Management has recommended to the Penn Medicine Finance and Executive Committees and they in turn have recommended to The Trustees Budget and Finance Committee, the Transaction as contemplated by these resolutions.

RESOLVED, that The Trustees approve the Transaction described in the foregoing Intention and as presented to the Penn Medicine Executive Committee and to The Trustees, including the actions listed below:
• Approval of the proposed structure of the Transaction by which The Trustees will become the sole member of LGH; with the LGH Board exercising authority with respect to the governance of LGH and the LGH Affiliates, and with The Trustees, and to the extent delegated, Penn Medicine exercising reserved powers; and LGH and LG Hospital becoming Clinical Components of Penn Medicine, including UPHS.
• Subject to due diligence satisfactory to UPHS management, approval of the Definitive Agreement whereby LGH, LGH Affiliates and all of the assets and liabilities of LG Health will be incorporated within the combined, fully integrated Penn Medicine organization.
• Authorization of the Penn Medicine Executive Committee to appoint trustees to the LGH Board.
• Authorization of Penn Medicine to assist LGH in the development and support of the execution of a strategic plan that provides sufficient funding for operations, capital projects and expansion and improvement of services, including committing sufficient support in terms of providing strategic and financial investments and other available resources to LGH and LGH Affiliates to successfully carry out their annual budgets and strategic plans.
• Delegation to the CEO of UPHS, or his designee, of the authority to take such action on behalf of The Trustees with respect to all matters to be voted upon by The Trustees in their capacity as sole member of LGH and LGH Affiliates.
• The filing of documents with, and taking of other actions with respect to any governmental or regulatory offices, if necessary or appropriate, in order to secure all approvals, consents, licenses, permits and the like necessary to consummate the Transaction.

FURTHER RESOLVED, that pursuant to the foregoing resolution, The Trustees delegate authority to the President of the University of Pennsylvania, or her designee, to take such action and approve and execute such documents on behalf of The Trustees as may be necessary to effectuate and implement the Transaction contemplated in the foregoing resolution substantially within the parameters described therein; provided that any changes such officer deems advisable, necessary or appropriate in order to
effectuate such transactions may be made with the express concurrence of the President of the University of Pennsylvania.

**FURTHER RESOLVED**, that the appropriate officers, members of Penn Medicine Executive Committee, University of Pennsylvania, Penn Medicine and UPHS Management are hereby authorized and empowered to take such actions as they may deem necessary, appropriate or desirable to effectuate the intent of the foregoing resolutions.
Resolution to Authorize Construction Documentation and Construction of the Perelman Center for Political Science and Economics in the Amount of $77,623,000

Intention:

The School of Arts and Sciences wishes to continue with the construction documentation and construction of the Perelman Center for Political Science and Economics (PCPSE). The PCPSE will be located in the West Philadelphia Title and Trust Company Building located at 133 S. 36th Street. The project will rehabilitate the existing 54,700 square foot building and build a 56,000 square foot addition on the north side of the building. The project will consolidate the University Political Science Department and Department of Economics, along with related academic programs. The project cost includes the relocation of the building’s current tenants to other locations. The project is estimated to cost $77,623,000 and will be funded by gifts in hand, pledged and to be raised, funding transfers from the President’s Center, the Provost’s Office and the Office of the Executive Vice President, and an internal capital loan.

RESOLVED, that the Design and Construction of the Perelman Center for Political Science and Economics, estimated to cost $77,623,000, be and the same hereby is approved and that the Executive Vice President or the Vice President for Facilities and Real Estate Services or Vice President for Finance and Treasurer be and hereby are authorized to take such actions, execute such contracts and incur such expenses and obligations – not, however, in excess of 110% of the estimated costs as presented to the Budget and Finance Committee – as may, in his or her judgment, be necessary or desirable to accomplish the purposes of this resolution. Any actions heretofore taken by any such officers in furtherance of the purpose of this resolution are hereby ratified and confirmed.
Resolution to Authorize Construction Documentation and Construction of the Meyerson Hall HVAC Upgrade Century Bond Project in the Amount of $13,600,000

Intention:

The School of Design wishes to continue with the construction documentation and construction of the HVAC upgrade for Meyerson Hall. The project will replace the existing 50 year old multiple air handling units and exhaust fans with new systems which will improve temperature control and energy efficiency of the building. In addition, ductwork, mechanical piping, controls, and switchgear will be updated. The project is expected to reduce the energy consumption in the building. The project is estimated to cost $13,600,000 and will be funded by Century Bond proceeds and the University Facilities Renewal Fund.

RESOLVED, that the Design and Construction of the Meyerson Hall HVAC Upgrade Century Bond Project, estimated to cost $13,600,000, be and the same hereby is approved and that the Executive Vice President or the Vice President for Facilities and Real Estate Services or Vice President for Finance and Treasurer be and hereby are authorized to take such actions, execute such contracts and incur such expenses and obligations – not, however, in excess of 110% of the estimated costs as presented to the Budget and Finance Committee – as may, in his or her judgment, be necessary or desirable to accomplish the purposes of this resolution. Any actions heretofore taken by any such officers in furtherance of the purpose of this resolution are hereby ratified and confirmed.
Resolution to Authorize and Approve the Expansion and Development of an Additional Two Floors of the Penn Medicine University City Ambulatory Care Building; Total Lease Obligation for the Additional Floors (Net Present Value) $12.75 Million

Intention:

In June 2012, Penn Medicine Executive Committee and the Trustees of the University of Pennsylvania (The Trustees) approved the development of Penn Medicine University City, a new outpatient diagnostic and treatment center ambulatory care building, which was constructed on property located along the Penn Presbyterian Medical Center (PPMC) campus at 3737 Market Street.

As part of the original transaction, PPMC entered into a lease with the landlord, Wexford – UCSC III LP (Wexford) for approximately 155,687 rentable square feet with the initial rent of $23.00 per square foot triple net, subject to annual increases of two and a half percent during the initial term (the Lease). To allow for future growth, this Lease contained the right for PPMC to add additional floors (floors 9, 10, 11) under certain conditions (the Expansion Right(s)).

Subsequent to the execution of the Lease, Wexford elected to construct two additional floors (floor 12 and floor 13, renamed floor 14) onto the building. In connection with this expansion, PPMC and Wexford entered into an amendment to the Lease (the Second Amendment) pursuant to which PPMC received an additional expansion right to lease one of the newly constructed floors, for up to a total of four floors (the Expansion Space). PPMC exercised its first Expansion Right under the Lease on February 8, 2014, by electing to take two additional floors (9 and 10) of Expansion Space, for a total of approximately 55,922 rentable square feet. The ninth floor will be used for the Department of Family Medicine and enable the Department to consolidate multiple locations efficiently. The tenth floor will be utilized for an orthopedic research lab, Penn Dental and other ambulatory clinical multi-specialty practices that will also foster interdisciplinary care. Occupancy on the additional floors is anticipated in June 2015.

By exercising its first Expansion Right in February 2014, PPMC preserved a second Expansion Right six months after substantial completion of the original base building to take up to an additional two floors (11 and 12) thereby ensuring the maximum rent savings. The second Expansion Right was exercised on January 7, 2015, subject to Board approval and its right to rescind. The initial term of the Lease remains 20 years with renewal options. The additional Expansion Space will be added to the Lease on the same terms and conditions.

As a result of PPMC’s election to lease a total of four additional floors in the building, base rent for the entire leased space (including the additional Expansion Space) will be reduced by $1.50 per rentable square foot, triple net. For illustration purposes by applying the savings to floors 11 and 12 the rent per square foot for year one will be $15.85 and will be subject to the same annual escalation and terms and conditions of the Lease. Net Present Value for the additional two floors is approximately $12.75 Million.

Wexford has obtained a Redevelopment Assistance Capital Program (RACP) grant from the Commonwealth of Pennsylvania. Under the terms of the Lease, and subject to funding by the Commonwealth, Wexford will allocate a portion of the RACP grant to the two additional floors, up to $800,000 per floor ($3.2 million for the expansion.)

The additional floors will be used to facilitate the planning, design and construction of a new bed tower at the Hospital of the University of Pennsylvania campus. The University of Pennsylvania Health System (UPHS) must provide office and meeting space near the UPHS campus for approximately 80 staff members of the owner, architectural and construction firms over the next three-five years. Also by
securing the floors now it will allow for clinical expansion in the future into adjacent space. Use of floors 11 and 12 of the Expansion Space prior to the floors being utilized for further clinical or research purposes is cost effective for UPHS and consistent with the long term strategic plans for the use of the building.

Management and the Penn Medicine Executive and Finance Committees have recommended to the Trustees Budget and Finance Committee, approval of the transactions necessary to lease an additional two floors of the Penn Medicine University City building. These transactions may include entering into such Lease amendments, construction agreements, financing and other necessary agreements associated with PPMC’s exercise of its Expansion Rights.

RESOLVED, that The Trustees approve and authorize the transaction and Lease amendments in support of PPMC’s exercise of its Expansion Rights to lease an additional two floors of the building (estimated to cost approximately $12.75 million, net present value), to be entered into by PPMC and UPHS for Penn Medicine University City on such terms and conditions as described in the foregoing Intention.

FURTHER RESOLVED, that the appropriate officers, members of Penn Medicine Executive Committee, Penn Medicine, UPHS and PPMC Management be authorized and empowered to take such actions and incur expenses and obligations on behalf of The Trustees substantially within the parameters described herein—not however, in excess of 110 percent of the above costs as presented to The Trustees – as in their judgment may be necessary or desirable to accomplish the purposes of this resolution. Any actions heretofore taken by such officers in furtherance of the purpose of this resolution are hereby approved, adopted, ratified and conformed in all respects.
Resolution to Authorize Pennovation Works Infrastructure and Pennovation Center Construction Documents and Early Equipment/Material Shop Drawings in the Amount of $6,710,000

Intention:

Facilities and Real Estate Services wishes to proceed with the construction documents phase and early equipment/material shop drawings for the Pennovation Works infrastructure and the Pennovation Center projects. The Pennovation Works infrastructure project includes site utility distribution for power, water, sewer and fire services, and natural gas and teledata pathway for future site build-out. Also included are demolition, resurfacing of parking areas, new sidewalks, lighting, landscaping, outdoor furnishing, perimeter fencing, pedestrian pathways and planned vehicular access routes. The Pennovation Center renovations will address the exterior envelope, code and accessibility compliance, building system infrastructure and interior renovations of approximately 47,000 square feet of the existing building 176 (58,000 square feet). This phase of the project also includes early equipment and material shop drawings for major mechanical and electrical equipment, curtain wall and windows, and structural steel and stairs. This phase of the project is estimated to cost $6,710,000 and will be funded by Century Bond proceeds.

RESOLVED, that Pennovation Works Infrastructure and Pennovation Center Construction Documents and Early Equipment/Material Shop Drawings, estimated to cost $6,710,000, be and the same hereby are approved and that the Executive Vice President or the Vice President for Facilities and Real Estate Services or Vice President for Finance and Treasurer be and hereby are authorized to take such actions, execute such contracts and incur such expenses and obligations – not, however, in excess of 110% of the estimated costs as presented to the Budget and Finance Committee – as may, in his or her judgment, be necessary or desirable to accomplish the purposes of this resolution. Any actions heretofore taken by any such officers in furtherance of the purpose of this resolution are hereby ratified and confirmed.
Resolution Amending February 27, 2009 Resolution on the Authority to Execute and Perform Research Contracts and Grants

Intention:

On March 13, 1987, the Trustees approved a resolution on the authority to execute and perform research contracts and grants, which resolution was updated and approved on May 21, 1993.

Corporate and governmental sponsors of University research often require a certified Board resolution explicitly delegating to the University signatory the authority to execute research agreements or grants. In addition, certain foreign patent applications require a copy of the corporate resolution authorizing the signatory for the University to sign on its behalf.

In view of the creation of the Penn Center for Innovation in 2014, as successor to the combined Center for Technology Transfer and Corporate Contracts group of the Office of Research Services, and title changes for some of the individuals previously authorized to execute research contracts, grants, licenses and related agreements, the administration proposes that the February 27, 2009, resolution be amended as follows:

RESOLVED, that the Vice Provost for Research, Associate Vice Provost for Research, Associate Vice President for Research, Director, Associate and Assistant Director(s) of Research Services and the Executive Director of the Penn Center for Innovation and at his/her specific delegation, the Directors and senior officers of the Penn Center for Innovation and Associate Directors of the Corporate Contracts Group of the Penn Center for Innovation, be and hereby are authorized to sign, perform and execute for the University all research and training contracts, grants or other agreements which have been reviewed and approved pursuant to University policies and procedures. This authority shall include the signing of any and all documents required in connection with the initiation, operation and termination of such contracts, grants or agreements.

FURTHER RESOLVED, that the Vice Provost for Research, Associate Vice Provost for Research and Executive Director of the Penn Center for Innovation, and at his/her specific delegation, the Directors and senior officers of the Penn Center for Innovation be and hereby are authorized to sign any and all documents in connection with the application for, or prosecution of, patents on inventions and discoveries, the issuance of licenses or other documents that have been reviewed and approved pursuant to University policies and procedures.

FURTHER RESOLVED, that the Vice Provost for Research and the Director of Regulatory Affairs be and hereby are authorized to sign any and all documents in connection with the review and approval of research projects involving the use of humans and animals as subjects, which have been reviewed and approved pursuant to University policies and procedures.
Resolution to Appoint Joseph P. Landy and to Re-Appoint Sarah Fuller to the Board of Overseers of the School of Arts and Sciences

RESOLVED, that Joseph P. Landy be appointed to the Board of Overseers of the School of Arts and Sciences for a renewable three-year term effective February 27, 2015.

Mr. Landy, W’83, is co-chief executive officer of Warburg Pincus, a global private equity firm in New York. He serves as a member of the Class of 1983 Reunion Committee and has supported financial aid initiatives, Music Building renovations, and the Weingarten Learning Resources Center. He serves on the National Executive Board of the Boy Scouts of America and is its Vice President of Operations.

RESOLVED, that Sarah Fuller be re-appointed to the Board of Overseers of the School of Arts and Sciences for a renewable three-year term effective February 27, 2015.

Mrs. Fuller, CW’71, is the Executive Chair of Millennium Prevention, a research-driven life sciences company with a public health mission. She serves as a University trustee and was previously a member of the School of Arts and Sciences Board of Overseers from 2005 – 2014. She has been a leading advocate for a number of interdisciplinary programs at the School of Arts and Sciences and has also supported fellowships and professorships. Mrs. Fuller serves as a member of the Vagelos Program in Life Sciences & Management Advisory Board and the Huntsman Program Advisory Board.
Resolution to Appoint George A. Weiss as an Emeritus Member of the Athletics Board of Overseers

RESOLVED, that George A. Weiss be appointed as an emeritus member of the Athletics Board of Overseers for a six-year term effective February 27, 2015.

Mr. Weiss, W’65, HON’14, is president of George Weiss Associates, Inc., and CEO of Weiss Multi-Strategy Advisors, LLC. Mr. Weiss is a member of Penn Athletics’ Football Board and previously served on the Athletics Board of Overseers for twenty years. A former football player, Mr. Weiss’ impact on the Penn Athletics community has been transformational, exemplified by the Weiss Pavilion at Franklin Field, which bears his name.
