Resolution to Amend the Bylaws of Penn Medicine to Include Lancaster General Health and Lancaster General Hospital as Clinical Components in the Penn Medicine Governance and to Establish a Regional Planning Committee

Intention:
Effective August 1, 2015 The Trustees of the University of Pennsylvania (The Trustees) on behalf of Penn Medicine, including the University of Pennsylvania Health System (“UPHS”), became the sole member of Lancaster General Health (LGHealth). As a result of the transaction LGHealth and Lancaster General Hospital (LGH) are now Clinical Components of Penn Medicine and UPHS.

In accordance with Article 7 of the Statutes of The Trustees of the University of Pennsylvania and Section 13 of the Bylaws of Penn Medicine (Bylaws), the Penn Medicine Executive Committee has recommended the amendment of Sections 1, 3.2, 3.3, 4.1, 4.2, and a new Section 7.8 of the Bylaws in order to effectuate the transaction. The proposed amendments will modify the Bylaws to enable LGHealth’s participation in the Penn Medicine governance subject to Penn Medicine’s and The Trustees’ reserved powers, consistent with the Definitive Agreement dated April 10, 2015 between The Trustees and LGHealth, and will also create a new Regional Planning Committee for Penn Medicine.

The Penn Medicine Executive Committee has recommended these amendments to the Penn Medicine Bylaws to The Trustees.

RESOLVED, that the Bylaws of Penn Medicine are amended to make the changes as described in the foregoing Intention. Specifically Sections 1, 3.2, 3.3, 4.1, 4.2 of the Bylaws are amended and a new Section 7.8 is added as follows (additions shown as underlined; deletions shown as strikethroughs):

Resolution to Authorize the Acquisition of a Non-Commercial Broadcast Radio License and Related Assets, including a Broadcast Tower and Real Estate

Intention:
The University currently holds FCC noncommercial broadcast radio licenses, including the licenses for WXPN-FM (“WXPN”), which are used for various purposes benefitting the University and the community. Benefits to the University from the ownership of WXPN have included providing undergraduate student internships and educational opportunities, and promotion of the University’s name and events to wider communities. Benefits to the local community have included the promotion of local artists and musicians, and free music concerts. The University recommends acquiring the FCC license and related operating assets and contracts, including but not limited to a broadcast tower and its surrounding real estate (approximately 19,000 square feet); membership lists; and lists of underwriters; for an existing noncommercial broadcast radio station license serving listeners in Northeastern Pennsylvania and Northwestern New Jersey (the “Radio Assets”), areas that are contiguous with the broadcast signal reach of WXPN today.

As consideration for the Radio Assets, the University is authorized to pay up to approximately $1,400,000 in cash at closing (subject to customary adjustments determined at the time of closing) (the “Cash Acquisition Price”), and provide nonfinancial compensation of approximately $500,000 in value to the seller of the Radio Assets (“Seller”) in the form of underwriting and sponsorship announcements over a period up to ten (10) years. The Cash Acquisition Price will be funded in part by WXPN’s existing funds, and in part through a loan from the University to WXPN, to be paid back over five (5) years, with interest, on terms to be documented separately.

The University and the Seller have signed a nonbinding letter of intent to enter into this transaction. The transaction is subject to FCC approval. The University and Seller intend to file an application and related filings seeking FCC approval, promptly after execution of a definitive agreement and passage of the resolution, below. The University and Seller expect to transfer legal ownership of the Radio Assets shortly after receiving FCC approval of the transaction, which the University anticipates could be approximately 90 to 120 days after submission to the FCC.

RESOLVED, that the Vice President for University Communications, the Vice President for Finance and Treasurer, the Executive Vice President, or the Senior Vice President and General Counsel, or each of their respective designees, be, and each of them hereby are, authorized to approve the form, conditions and terms of, and execute and deliver, such agreements, deeds, leases, assignments, affidavits, FCC documents, and other documents as they deem necessary or appropriate to consummate the transactions described herein on substantially the terms set forth herein, and containing such other terms and conditions not inconsistent with the terms described herein as each deems appropriate, and that any actions heretofore taken by such officer in furtherance of the purposes of this Resolution are hereby ratified and affirmed.
