Resolution to Authorize the Financing of Certain Capital Projects for the University of Pennsylvania

Intention:
Management (Management) of The Trustees of the University of Pennsylvania (University) has identified up to $200 million in capital projects (Capital Project), which can be financed cost effectively with the issuance of new indebtedness of the University. Management recommends that the University incur new indebtedness (2018 Bonds) to pay costs of the Capital Project and recommends that the University delegate to the Debt Subcommittee of the Budget and Finance Committee (Debt Subcommittee) the power to determine the terms of the 2018 Bonds authorized by this resolution and the details thereof.

RESOLVED, that the Trustees of the University hereby authorize and approve the incurrence of up to $200 million of indebtedness (net of original issue discount) to finance the Capital Project and pay the costs of issuing the 2018 Bonds. In addition, the Trustees of the University authorize the Debt Subcommittee to authorize the details of the 2018 Bonds.

FURTHER RESOLVED, that any indebtedness authorized by this resolution may be for a term of up to 50 years, may be taxable or tax-exempt, may be issued in one or more series or sub-series, and may bear interest at a fixed or variable interest rate, subject however, to the approval of the terms and conditions of such borrowing by the Debt Subcommittee, such approval by the Debt Subcommittee to be conclusively evidenced by the adoption of a resolution authorizing and approving the terms of such borrowing pursuant to this resolution.

FURTHER RESOLVED, that the Executive Vice President and the Vice President for Finance and Treasurer be and either of them hereby is authorized to apply on behalf of the University to one or more governmental issuers to issue the 2018 Bonds or a portion thereof for the purposes stated above and to pay such fees and expenses as may be required in connection therewith and in connection with the incurrence of indebtedness authorized herein including issuance expenses to the extent not paid with proceeds of the 2018 Bonds.

FURTHER RESOLVED, that the Executive Vice President and the Vice President for Finance and Treasurer be and either of them hereby is authorized to determine the method of sale of any indebtedness incurred pursuant to this resolution (which may be a competitive sale, negotiated sale, a private placement or any combination thereof), to select an investment banker or bankers (if a negotiated sale is to be used) or a lender or purchaser in the event of a private placement, to select a bank or other financial institution to provide credit and/or liquidity support for the indebtedness, to select an insurer or insurers to provide insurance for the indebtedness, to select a remarketing agent, if applicable, for the indebtedness, and a trustee and paying agent, and to take all action in connection therewith, subject to the Debt Subcommittee's approval of the details of the indebtedness incurred pursuant to this resolution including the rates of interest, interest rate mode, dates of maturity, redemption features and security for such indebtedness (but not in excess of the amount or for the term above authorized).
FURTHER RESOLVED, that the Executive Vice President and Vice President for Finance and Treasurer be and either of them hereby is authorized to determine whether, in connection with the indebtedness authorized hereby, the University shall enter into an interest rate swap, cap, collar, floor, or other arrangement intended to hedge such indebtedness, or, in effect, to convert interest on all or a portion of such indebtedness from a fixed rate to a floating rate, from a floating rate to a fixed rate, or from one floating rate to another floating rate, and thereby reduce the cost of borrowing on such indebtedness by optimizing the relative amounts of fixed and floating rate debt from time to time or the risk of variations in debt service costs (Hedge Agreement), and in connection therewith any collateral arrangements, including pledging investment securities, as security for the University’s obligations with respect to any Hedge Agreement, and to take all action in connection therewith, subject to the Debt Subcommittee’s approval of the details of any Hedge Agreement, including the notional amount thereof, the method by which payments thereunder are determined, the term and collateral arrangements for such Hedge Agreement.

FURTHER RESOLVED, that the Executive Vice President and the Vice President of Finance and Treasurer be and they hereby are authorized and empowered to take such action, approve the form and content and execute and deliver, and the Secretary or other officer of the University is authorized and directed to affix the seal of the University to, such documents, including if applicable, one or more trust indentures, loan agreements, leases or subleases, bond purchase contracts, reimbursement agreements, standby bond purchase agreements, remarketing agreements, official statements or other offering documents, continuing disclosure agreements, Hedge Agreements, and any other documents, agreements or instruments, and to do such things as shall be necessary to effectuate the borrowing authorized by this resolution, subject, however, in all respects to the approval of the terms and details of the indebtedness and any Hedge Agreement by the Debt Subcommittee.
Resolution to Authorize Selling a Certain Portion of Land and Development Rights at 145 King of Prussia Road, Radnor, Pennsylvania, and Selling a Building and Land at 250 King of Prussia Road, Radnor, Pennsylvania, for $38,500,000

Intention:
Penn Medicine Radnor, a multi-specialty facility, with an integrated model of patient care, provides a key component in Penn Medicine’s comprehensive ambulatory satellite strategy. It has the largest regional referral base of Penn Medicine’s suburban satellites, with strong brand recognition and an outstanding community reputation. Penn Medicine Radnor is currently located at 250 King of Prussia Road, Radnor, Pennsylvania (250 King of Prussia Road). In May 2015 The Trustees of the University of Pennsylvania (The Trustees) approved the acquisition of property located at 145 King of Prussia Road, Radnor Pennsylvania (145 King of Prussia Road) and an associated capital authorization of $35,522,292 for the purchase as part of the University of Pennsylvania Health System (UPHS) Fiscal Year 2015 capital budget in order for UPHS to construct a new larger facility that may capitalize on the strategic value of Penn Medicine Radnor and expand the clinical space as well as accommodate increased programmatic needs. The Trustees authorized $20,000,000 in the UPHS Fiscal Year 2017 capital budget for planning, design and associated costs. Further, on June 22, 2018, The Trustees approved $198,000,000 for the development and construction of the new 250,000 square foot facility and associated transactions (the New Penn Medicine at Radnor Project) including a twenty-year lease commitment at 4.9% on the core and shell and a 1000 car parking garage. Management has subsequently negotiated a lower rate at 4.5% resulting in $4,397,440 less interest paid over the lease term. Management anticipates a two-year construction period and that all patient services at the current location will move to the new Penn Medicine Radnor facility which is targeted to open by June 2020.

Management now recommends two steps to conclude the capital planning for the New Penn Medicine Radnor Project at 145 King of Prussia Road and the transition from the current facility at 250 King of Prussia Road (the Penn Medicine Radnor Transaction). All transactions will be completed through Brandywine Realty Trust or an affiliated entity (Brandywine), a publicly traded REIT located in Philadelphia, Pennsylvania.

Management recommends a financial subdivision of 47% of the 34-acre parcel of land at 145 King of Prussia Road for $18,250,000. The parcel was purchased by The Trustees for $35,522,292 in 2015. With an approval of 475,000 square feet of development space this equals $74.78 per developable square foot. Brandywine will purchase 225,000 square feet in the western portion of the development for $81.10 per developable square foot which represents a 2.59% return. As part of the transaction Brandywine will be contractually obligated to construct a 75,000 square foot hotel and a 150,000 square foot office building.

Management further recommends the sale of 250 King of Prussia Road for $20,250,000 with UPHS being granted use of the space rent-free or at a significantly reduced rent until UPHS vacates the existing facility upon the opening of the new Penn Medicine at Radnor facility. There will be no real estate broker commissions on this transaction.
Brandywine will have 15 days from execution of the agreement of sale for due diligence on the office and hotel parcel at 145 King of Prussia Road and 60 days for due diligence on the 250 King of Prussia Road property.

The Penn Medicine Finance Committee and Penn Medicine Executive Committee have recommended approval of the Penn Medicine Radnor Transaction to The Trustees.

**RESOLVED**, that The Trustees authorize the Penn Medicine Radnor Transaction, including entering into the associated agreements of sale, instruments and other documents upon satisfactory conclusion of negotiations, as described in the foregoing Intention and as presented to the Penn Medicine Executive Committee and The Trustees Budget and Finance Committee.

**FURTHER RESOLVED**, that The Trustees delegate authority to the Executive Vice President for UPHS or his designee, or other appropriate officers of the University, Penn Medicine Executive Committee and UPHS Management to take such action, approve and execute such documents, instruments and agreements and incur such expenses and obligations on behalf of The Trustees as may be necessary to effectuate and implement the Penn Medicine Radnor Transaction contemplated in the foregoing resolutions substantially within the parameters described therein -- not, however, in excess of 110 percent of the estimated costs as presented to The Trustees Budget and Finance Committee.

**FURTHER RESOLVED**, that any and all actions heretofore taken by The Trustees, Penn Medicine and UPHS with regard to any and all instruments, documents or agreements made or delivered prior to the date hereof in connection with the foregoing resolutions are hereby adopted, ratified and conformed in all respects.
