The reappointment of Dr. David L. Casser as Assistant Professor of Human Genetics, School of Medicine, for three years effective July 1, 1975 (full affiliation, full salary; period of qualification for tenure accrual began July 1, 1972 with a seven year probationary period). Tenure review date is academic year 1977-78.
The reappointment of Dr. Amal K. Ghosh as Assistant Research Professor of Neurosurgery in Surgery, School of Medicine, for one year effective July 1, 1976 (full affiliation, full salary; period of qualification for tenure accrual began July 1, 1970). This is a terminal reappointment.

The reappointment of Dr. Alfred Gilbert as Assistant Professor of Human Genetics, School of Medicine, for three years effective July 1, 1976 (full affiliation, full salary; period of qualification for tenure accrual began July 1, 1973 with a seven year probationary period). Tenure review date is academic year 1978-79.

The reappointment of Dr. Myron D. Ginsberg as Assistant Professor of Neurology, School of Medicine, for three years effective July 1, 1976 (full affiliation, full salary; period of qualification for tenure accrual began July 1, 1973 with a ten year Clinical probationary period). Tenure review date is academic year 1981-82.

The reappointment of Dr. George A. Hermann as Assistant Professor of Pathology, School of Medicine, for three years effective July 1, 1976 (partial affiliation, without salary; not in tenure probationary status in this appointment).

The reappointment of Dr. John Harvie Hubbard as Assistant Professor of Neurosurgery in Surgery, School of Medicine, for one year effective July 1, 1976 (full affiliation, full salary; period of qualification for tenure accrual began July 1, 1970). This is a terminal reappointment.

The reappointment of Dr. Howard I. Hurtig as Assistant Professor of Neurology, School of Medicine, for three years effective July 1, 1976; or for the duration of the grant or contract which supports his work, whichever is the shorter period of time (full affiliation, full salary without obligation to the University to continue salary and benefits beyond termination of these funds; period of qualification for tenure accrual began July 1, 1973 with a ten year Clinical probationary period). Tenure review date is academic year 1981-82.

The reappointment of Dr. Winifred A. Koelle as Assistant Professor of Pharmacology, School of Medicine, for three years effective July 1, 1976 (full affiliation, full salary; period of qualification for tenure accrual began July 1, 1972 with a seven year probationary period). Tenure review date is academic year 1977-78. And promotion in a secondary appointment to Assistant Professor of Medicine, School of Medicine, for two years effective July 1, 1976 (partial affiliation, partial salary; with voting rights. Primary appointment is in Pharmacology.

The reappointment of Dr. Richard S. Levinson as Assistant Professor of Medicine, School of Medicine, for three years effective July 1, 1976 (full affiliation, without salary; period of qualification for tenure accrual began July 1, 1974 with a ten year Clinical probationary period). Tenure review date is academic year 1982-83.
The reappointment of Dr. James R. Leyden as Assistant Professor of Dermatology, School of Medicine, for two years effective July 1, 1976 (full affiliation, full salary; period of qualification for tenure accrual began July 1, 1972 with a seven year probationary period). Tenure review date is academic year 1977-78.

The reappointment of Dr. Hsu-Hsing Lin as Assistant Professor of Pathology, School of Medicine, for three years effective July 1, 1976 (full affiliation, full salary without obligation on the part of the University for continuation of salary and benefits beyond termination of support from Graduate Hospital; period of qualification for tenure accrual began July 1, 1971 with a ten year Clinical probationary period). Tenure review date is academic year 1979-80.

The reappointment of Dr. Louis D. Lowry as Assistant Professor of Otorhinolaryngology and Human Communication, School of Medicine, for three years effective July 1, 1976 (full affiliation, full salary; period of qualification for tenure accrual began July 1, 1973 with a ten year Clinical probationary period). Tenure review date is academic year 1981-82.

The reappointment of Dr. James Mintz as Assistant Professor of Psychology in Psychiatry, School of Medicine, for three years effective July 1, 1975 (partial affiliation, partial salary; not in tenure probationary status in this appointment).

The reappointment of Dr. Santo V. Nicosia as Assistant Professor of Obstetrics and Gynecology, School of Medicine, for three years effective July 1, 1976, or for the duration of the grant or contract which supports his work, whichever is the shorter period of time (full affiliation, full salary without obligation to the University to continue salary and benefits beyond termination of these funds; period of qualification for tenure accrual began July 1, 1973 with a seven year probationary period). Tenure review date is academic year 1978-79. And reappointment in a secondary appointment as Assistant Professor of Pathology, for the same period. Primary appointment is in Obstetrics and Gynecology.

The reappointment of Dr. John S. Parks as Assistant Professor of Pediatrics, School of Medicine, for three years effective July 1, 1976 (full affiliation, full salary without obligation on the part of the University for continuation of salary and benefits beyond termination of support from Children's Hospital; period of qualification for tenure accrual began July 1, 1973 with a seven year probationary period). Tenure review date is academic year 1978-79.

The reappointment of Dr. Davis L. Paskin as Assistant Professor of Surgery, School of Medicine, for three years effective July 1, 1976 (full affiliation, without salary; period of qualification for tenure accrual began July 1, 1973 with a seven year probationary period). Tenure review date is academic year 1978-79.
The reappointment of Dr. George J. Peckham as Assistant Professor of Pediatrics, School of Medicine, for three years effective July 1, 1976 (full affiliation, full salary without obligation on the part of the University for continuation of salary and benefits beyond termination of support from Children's Hospital; period of qualification for tenure accrual began July 1, 1973 with a ten year Clinical probationary period). Tenure review date is academic year 1981-82.

The reappointment of Dr. John Pegg as Assistant Professor of Pathology, School of Medicine, for three years effective July 1, 1976 (partial affiliation, without salary; not in tenure probationary status in this appointment).
