

Geosophic Society

The attention of the members is called to the preliminary trials for the Virginia debate. The debate will be held in Philadelphia about December 8th and the trials in the society to select our three representatives for the semi-finals will be held Friday evening, October 25th. The subject is: Resolved that the Fifteenth Amendment should be repealed. References will be found at the outer desk of the library.

According to the custom of the society, each speaker will be given one hour of eight minutes and be allowed to choose his own side. The order of

speaking will be determined by lot immediately before the trials.

All members are urgently requested to compete. It is of the utmost importance that Pennsylvania should have a winning team and we want a Gettoman on it.
