Join Your Newman Club

Are YOU a SUNDAY Catholic?
Of Course . . .
your studies keep you busy.

Naturally . . .
social and personal
activities demand a lot of
your time.

Certainly . . .
you go to Mass on Sunday.

And knowing more about your
religion as you go through
college is more important
these days than ever before.
You’ve got to build up your
mental fences against the
mock religions of wealth,
position and indifferentism.
For what does it profit a man
(or student) if he gain the
whole world and suffer the
loss of his own soul? . . .

BUT BEING A CATHOLIC
IS A 7-DAY-A-WEEK JOB
